

AVA MURPHY.♥

Hi my name is Ava, I am 11 years old. I was born in Dublin. I am in 6th class. My favourite subject is art. I really enjoy drawing. I also like writing. I love writing stories that I make up myself and I love colouring pictures. I hope you enjoy this book.

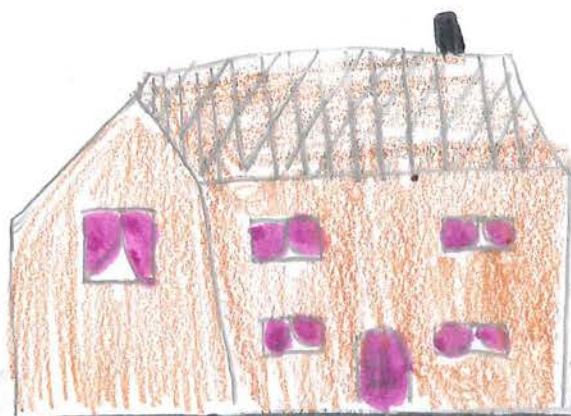

Once upon a time there was a girl called Sophie. She was 12 years old. She was going upstairs to her bedroom. Suddenly she saw a button on her wardrobe. She pushed the button and the door opened. She walked in the door slammed after her. Moments later, the door opened again. Sophie walked out into a MAGICAL SNOW LAND.

Suddenly she saw a small black creature. It was a mouse. She said to the mouse "Who are you? He said "my name is Mr. Jingles". Then she said. "Where am I?" Mr. Jingles said "this is an UNKNOWN SNOW LAND. Puzzled Sophie enquired. "Why am I here?" He replied "because the Queen of this UNKNOWN SNOW LAND wants her son Victor to get married to you. Sophie don't worry I will help you" said Mr. Jingles softly. Sophie couldn't believe her eyes, a small black mouse was offering to help her. "But why does Victor want to marry me?" she asked. "I overheard Victor saying that. Just before you marry him he's going to trap you in this UNKNOWN SNOW LAND and he is going to go to your home!"

Mr Jingles.

Sophie knew immediately that she could trust Mr. Jingles. Sophie said to Mr. Jingle "Are you sure you can help me?" Mr. Jingles replied "Yes because I have super powers. If Victor tries to shoot freeze balls at us, you can turn on my switch and two lazer beams will come out of my eyes" Sophie began to relax. Sophie asked Mr Jingles could he give her a special power to defeat Victor. He agreed.

Victor was a mean man he was about 20 years old. He shoots freeze balls out of his hands. At the moment Victor is after Sophie. He would like nothing more than to get into the real world and leave the Unknown Snowland forever. Sophie asked Mr Jingles to give her a special power. He told her it was "freeze touch".

Sophie has a power. It is called Freeze touch. So when Sophie touches someone they turn into a big block of ice and they freeze. This power will really help Sophie defeat the evil villain.

**FREEZE
TOUCH**

Sophie and Mr. Jingles were looking for their portal, but on the way they saw Victor. Sophie began to run but Victor caught her and pulled her into a big castle. Then Mr. Jingles used his powers by shooting lasers out of his eyes. Victor went unconscious from the lasers. The battle commenced when Sophie puts her hands up ice comes out of her hands. Suddenly Victor woke up. Victor froze Sophie. Then Sophie switched on Mr. Jingles' switch and lasers shot out of his eyes. Then Victor fell to the ground. Sophie was amazed. Mr. Jingles was jumping up and down with laughter. Then Mr. Jingles asked Sophie could he live with her. Sophie replied "of course you can"!

Now that the battle was over
Victor's mam was very unhappy and
she was roaring crying because her
son was dead. She was very disappointed
that her son didn't get married,
Things didn't really work out
for her anymore because her son
wasn't with her. She was sad and
was very lonely after that.

Sophie and Mr Jingles set off to find their home. Finally after a big journey around THE UNKNOWN SNOW LAND, they found their way home. They entered back into their wardrobe and they found themselves back in Sophie's bedroom. They went to bed because they were tired after the long journey.

The next morning Sophie went down stairs. She saw her Mum and Dad. Sophie's Mum and Dad didn't even notice that she had gone missing. So Sophie decided to keep it a secret and never tell anybody.
